

Sponsoring

As the Independent Aircraft Modifier Alliance we advocate for trustworthy and high-quality STC programs to modify aircraft. We appreciate your additional support by sponsoring dedicated activities.

Sponsoring is open to all members of the Independent Aircraft Modifier Alliance, its official subscribers and our partners.

We invite you to be a.....

Workshop Sponsor

As a workshop sponsor, you host a dedicated working group workshop by:

- providing adequate facility with equipped meeting rooms (e.g. post its, flip chart, projector in agreement with our Alliance Manager)
- provide light snacks and drinks during the workshop day(s)
- host one evening event (e.g. diner) when the workshop is planned for more than one day
- recommend accommodation and provide booking assistance when necessary due to local arrangements (all costs for travel & accommodation to be borne by the participating members)

IAMA will show the sponsor logo in the events invitation to all participating members, post and link the workshop date and sponsor on the IAMA website as well as promote the workshop and its sponsor on social media (LinkedIn).

Special Key Initiative Sponsor

You want to sponsor a special key initiative, sub-goals or additional topics to accelerate?

Please contact our Alliance Manager Annelouise van Dijke (a.vandijke@iamalliance.aero) for further opportunities.
