\* To get accepted for a **free of charge listing of their products and services** at the IAMA Platform members.iamalliance.aero, Applicants must provide technical aircraft products and/or services which are particularly necessary and designed to assist commercial aircraft operators and owners during the COVID-19 crisis to maintain airworthiness and / or prepare their fleets of large aircraft (e.g. EASA CS25) for a safe reactivation and return to service and / or operate their aircraft safely for direct crisis-related purposes.

### Listing of Products and Services

The applicant shall use the standardized XLS form provided on the IAMA website to submit information by email to [info@iamalliance.aero](mailto:info@iamalliance.aero) about their products & services they wish to list.

Categories of products and services considered list-able are agreed between IAMA, IAMA members and representatives of aircraft owners and operators during regular IAMA Virtual Think Tank sessions. Categories will be made public on [www.iamalliance.aero](http://www.iamalliance.aero) as well as on the IAMA LinkedIn Account. The listing service will end when the IAMA Virtual Think Tank Session considers the service itself redundant or when Applicant informs IAMA at [info@iamalliance.aero](mailto:info@iamalliance.aero) to remove their products and services listed.

Example categories:

- Modifications fulfilling authority requirements with a recent mandate or timeline below 2 years

Independent  
AIRCRAFT MODIFIER ALLIANCE

- Services fulfilling authority requirements with relation to COVID-19 (e.g. aircraft disinfection).
- Modifications required for patient transport
- Modifications required for additional cargo-transport on passenger aircrafts

No obligation shall arise for IAMA under this application, particularly IAMA has no obligation to publish the Applicants products and services or guarantee any listing or availability of the online-catalogue.

IAMA reserves the right to list products and services or to refuse listing of products and services not matching the published categories without further notice. IAMA can limit the time to how long IAMA will post these messages for published categories. IAMA reserves the right to suspend or end the listing without further notice.

**Applicants Declaration**

I hereby acknowledge to have read the IAMA Code of Conduct and Competition Compliance Guidelines and understand their applicability (except for the “IAMA Common Governance – Complaints and appeals”) for non-IAMA members listing products and services within the IAMA COVID-19 Crisis Catalogue. I hereby confirm my commitment to adhere to them at all times during my participation.

I hereby also consent that once the application is confirmed, submitted products and services matching the categories will be published as information within the on-line crisis catalogues and might get published at the IAMA LinkedIn Account and/or Website.

No further obligations apply to the Applicant.
